N/A – Consultation Paper (CP) phase is not a required due process element, IPSASB determines on a project-by-project basis whether a CP is needed.

Overview of Due Process steps:

A. Project Commencement—due process step complete when project proposal (project brief) approved.

B. Development of Standard—due process step complete when exposure draft approved for public exposure.

C. Public Exposure—due process step complete when exposure draft comment period ends and comments received publicly posted on IPSASB website.

D. Consideration of Exposure Comments—due process step complete when significant issues raised on exposure have been deliberated by IPSASB.

E. Approval—due process step complete after board approval of final standard, considered the need for re-exposure, agreed the basis for conclusions and set an effective date for the standard.
