

IPSASB Due Process Checklist

Project: Natural Resources – IFRS 6 and IFRIC 20 Alignment

In response to the May 2022 Natural Resources Consultation Paper, the IPSASB decided to address the following topics through this project:

- Exploration and evaluation of mineral resources; and
- Stripping costs in the production phase of a surface mine.

The IPSASB concluded that these topics were important to address in the context of the broader Natural Resources project.

Greyed out portions of the checklist refer to due process elements completed in the earlier stages of the broader Natural Resources project.
