Request for comments for ED 83 as a result of the Reporting Sustainability Program Information Project

The Agency for Public Finance and Management in Denmark have read the Exposure draft 83 and the added changes to RPG 1 and RPG 3 following the 'Reporting Sustainability Program Information Project'. Our comments on the matter can be viewed below.

Specific Matter for Comment 1

Do you agree with the proposed additional implementation guidance for RPG 1? If not, what changes would you make?

Comment: *Yes – we agree with the proposed additional implementation guidance for RPG 1.*

Specific Matter for Comment 2

Do you agree with the proposed additional implementation guidance and illustrative examples for RPG 3? If not, what changes would you make?

Comment: *Yes – we agree with the proposed additional implementation guidance for RPG 3 and we welcome the further development of a public sector sustainable reporting.*
