C.1 Do you have any comments on any of the above activities or initiatives? In particular, do you believe any of them should not be a strategic priority for the IESBA and, if so, why? Please be as specific as possible.

For Gods sake STOP the Change. It is adding nothing of benefit and adding huge cost. Clearly the people involved are not practioners who have to deal with the consequences. You have not improved the code despite the self judgement you make the code was fine what we had were some people without ethics.

Now you seek to punish us all for there actions. The bulk of whom have never faced sanctions.

C.2 Are there any specific activities or initiatives you believe the IESBA should undertake to promote further adoption and more effective implementation of the Code? If so, please explain why.

For Gods sake STOP the Change. It is adding nothing of benefit and adding huge cost. Clearly the people involved are not practioners who have to deal with the consequences.
