Dear Mr McPeak

Re: Proposed International Education Standard IES 7 'Continuing Professional Development (Revised)

Chartered Accountants Ireland has considered the content of proposed IES 7 (Revised). We are broadly supportive of its content and accordingly will not be answering the specific questions asked. I would mention, however that we have received some negative comments on the proposed removal of guidance on the required number of hours needed under the input approach. Having a required number of hours assists in providing clarity to members and regulators.

Yours sincerely

B
